

“Winning the cities to Christ, one teenager at a time!”

Gateway Today April 2003

**Gateway- Elizabeth to relocate to
65 Jefferson Avenue
on May 1st.**

Dean and Joan are shown the suite on the 4th.
floor of the Trinitas Building,
65 Jefferson Avenue, Elizabeth

Praise the Lord! We have been led to our new location in Elizabeth. Thank you for praying for this urgent need. By the way, we are around the corner from the Elizabeth Planned Parenthood Center, so we should be seeing many abortion vulnerable women. (Gateway is not ‘the method’ or ‘the messenger’ or even the ‘mission site’, but ‘the message’ of forgiveness through Christ alone)

Urgent needs for our new location!

1. Counter top for our reception area – about 4 feet long and 2 feet wide.
2. A smaller counter top – perhaps 3 feet long and 2 feet wide – for our sonogram room
3. A few small cabinets for our cleaning supplies
4. A new TV/VCR combo. The lowest price we know of is about \$130.
5. ** A Christian skilled in installing the above items in our new location
6. A small vacuum cleaner for our Irvington office. Costco has one for about \$40.

Items of Praise!

1. On April 5th, **Tyrone** came to Gateway-Elizabeth abortion minded. David spoke with him. He changed his mind and gave his heart to Christ.

2. **Kim**, age 18, came to Gateway-Irvington abortion-minded. Irene showed her The Harder Truth and DR. Johnson's video. Irene wrote in her notes “She cried when she saw what was going to happen to the baby”. She was scared about what her mother would say, but decided not to abort and carry the baby to term. Irene then shared Christ with her. Dean spoke with **Tony**, Kim's boyfriend. Although his religion was Sikh, he accepted a New Testament.

While surfing the internet..

Alexandra, from Blagoevgrad, Bulgaria, age 19, writes "How soon after conception do home pregnancy tests show correctly whether you are pregnant or not\? - How soon will a laboratory test (blood or urine?) tell correctly? - Is the emergency pill so bad?"

Besides answering her questions, encouraging abstinence and sharing the gospel, we referred Alexandra to a crisis pregnancy center in Sofia, just north of her hometown!

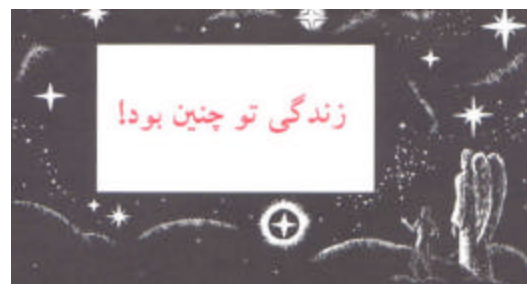

Interesting facts:

RECORD HIGH NUMBER OF ABORTIONS IN BULGARIA

Record high 120,000 women in Bulgaria had an abortion in the first five months of 1996.

Sociologists believe that within a few years, one out of four families will have only one child. Among the educated, the young, and the rich, the desire to have children is constantly declining.

Jamila* is from Egypt. She came with her husband, and only spoke Arabic. Her husband translated for her. Their test was positive, and they were overjoyed. We were able to give her a gospel tract in Arabic!
